

Certificate of Compliance

Certificate Number: 2024-999

April 10, 2024

This document certifies that the product SAMPLE (WiCell Characterization Test Request #000000) was characterized with fluorescence in situ hybridization at WiCell in compliance with the U.S. FDA Current Good Manufacturing Practice for Finished Pharmaceuticals (21 CFR part 211) and the EU Good Manufacturing Practice guidelines (EC EudraLex Volume 4) where applicable. The characterization service provided has been reviewed for accuracy, completeness and compliance with established SOPs and specifications.
