

Cell Line	Sex	Relationships	Age at Collection	Disease	Ethnicity	Age of Diagnosis
MCW020i-A2023	Male	Familial relationship between the donors of these cell lines.	56 years	None reported	African American	39 years
MCW032i-A7214	Female		41 years	None reported	African American	27 years
MCW023i-A2121	Female	Familial relationship between the donors of these cell lines.	59 years	None reported	African American	43 years
MCW024i-A3263	Female		57 years	Left ventricular hypertrophy	African American	42 years
MCW016i-A2159	Female	Familial relationship between the donors of these cell lines.	58 years	None reported	African American	42 years
MCW017i-A2106	Male		62 years	None reported	African American	46 years
MCW026i-50000685	Female	Familial relationship between the donors of these cell lines.	56 years	None reported	African American	46 years
MCW027i-50000784	Female		52 years	None reported	African American	41 years
MCW038i-40000503	Female	Familial relationship between the donors of these cell lines.	43 years	None reported	Caucasian	31 years
MCW050i-40000626	Female		40 years	None reported	Caucasian	28 years
MCW114i-U2144	Female	Familial relationship between the donors of these cell lines.	57 years	None reported	Caucasian	40 years
MCW115i-U2143	Female		67 years	Left ventricular hypertrophy	Caucasian	50 years
MCW091i-U2202	Male	Familial relationship between the donors of these cell lines.	75 years	None reported	Caucasian	58 years
MCW107i-40000886	Male		44 years	None reported	Caucasian	31 years
MCW105i-U2130	Male	Familial relationship between the donors of these cell lines.	70 years	None reported	Caucasian	53 years
MCW112i-40000893	Male		40 years	None reported	Caucasian	27 years
MCW004i-40002545	Female	Familial relationship between the donors of these cell lines.	55 years	None reported	Caucasian	43 years
MCW005i-40002552	Female		66 years	None reported	Caucasian	54 years
MCW073i-40000527	Female	Familial relationship between the donors of these cell lines.	54 years	None reported	Caucasian	42 years
MCW097i-40001654	Female		41 years	None reported	Caucasian	29 years
MCW009i-40002262	Female	Familial relationship between the donors of these cell lines.	55 years	None reported	Caucasian	43 years
MCW010i-40000756	Male		59 years	None reported	Caucasian	46 years
MCW074i-40002460	Female	Familial relationship between the donors of these cell lines.	51 years	None reported	Caucasian	39 years
MCW080i-U2236	Male		77 years	None reported	Caucasian	60 years
MCW058i-U2082	Male	Familial relationship between the donors of these cell lines.	67 years	None reported	Caucasian	50 years
MCW103i-40000237	Male		34 years	None reported	Caucasian	21 years
MCW061i-40000329	Male	Familial relationship between the donors of these cell lines.	52 years	None reported	Caucasian	39 years
MCW066i-U2368	Female		73 years	None reported	Caucasian	57 years
MCW088i-40000442	Female		49 years	None reported	Caucasian	37 years
MCW095i-U2311	Male		72 years	None reported	Caucasian	55 years
MCW099i-40000558	Female		42 years	None reported	Caucasian	29 years
MCW082i-U2052	Female		73 years	None reported	Caucasian	56 years
MCW083i-40000695	Female	Familial relationship between the donors of these cell lines.	49 years	None reported	Caucasian	36 years
MCW084i-U2053	Female		76 years	Left ventricular hypertrophy	Caucasian	59 years
MCW089i-40000312	Male		43 years	None reported	Caucasian	30 years
MCW090i-40000374	Male		48 years	None reported	Caucasian	35 years
MCW049i-40001630	Female	Familial relationship between the donors of these cell lines.	70 years	None reported	Caucasian	58 years
MCW053i-U2213	Male		74 years	None reported	Caucasian	58 years
MCW071i-U2177	Male		62 years	None reported	Caucasian	46 years
MCW086i-40000176	Male		49 years	None reported	Caucasian	36 years
MCW056i-U7076	Male	Familial relationship between the donors of these cell lines.	44 years	None reported	Caucasian	29 years
MCW076i-U2129	Male		78 years	Left ventricular hypertrophy	Caucasian	61 years
MCW008i-40000992	Female	Familial relationship between the donors of these cell lines.	52 years	None reported	Caucasian	40 years
MCW051i-40001166	Male		57 years	None reported	Caucasian	44 years
MCW059i-40001067	Female		54 years	None reported	Caucasian	42 years
MCW101i-40001005	Female		43 years	None reported	Caucasian	31 years
MCW062i-U2157	Female	Familial relationship between the donors of these cell lines.	69 years	None reported	Caucasian	52 years
MCW106i-U2120	Female		67 years	None reported	Caucasian	50 years
MCW045i-U2033	Male	Familial relationship between the donors of these cell lines.	82 years	None reported	Caucasian	64 years
MCW087i-U7112	Female		46 years	None reported	Caucasian	32 years
MCW094i-U7120	Male		53 years	None reported	Caucasian	39 years
MCW042i-40001401	Male	Familial relationship between the donors of these cell lines.	59 years	None reported	Caucasian	46 years
MCW098i-40002583	Male		57 years	None reported	Caucasian	45 years
MCW003i-40001883	Male	Familial relationship between the donors of these cell lines.	53 years	None reported	Caucasian	42 years
MCW116i-40001890	Male		50 years	None reported	Caucasian	38 years
MCW064i-40001159	Female	Familial relationship between the donors of these cell lines.	44 years	None reported	Caucasian	32 years
MCW065i-40001296	Female		40 years	None reported	Caucasian	28 years
MCW109i-40001470	Female		60 years	None reported	Caucasian	48 years
MCW001i-40001487	Male	Familial relationship between the donors of these cell lines.	53 years	None reported	Caucasian	42 years
MCW002i-40001265	Male		40 years	None reported	Caucasian	29 years
MCW085i-40002118	Male	Familial relationship between the donors of these cell lines.	48 years	None reported	Caucasian	37 years
MCW111i-40002422	Female		34 years	None reported	Caucasian	23 years
MCW069i-40000268	Male	Familial relationship between the donors of these cell lines.	44 years	None reported	Caucasian	32 years
MCW092i-U2390	Male		73 years	None reported	Caucasian	56 years
MCW093i-40000435	Female		36 years	None reported	Caucasian	23 years
MCW096i-40000169	Male		46 years	None reported	Caucasian	34 years
MCW011i-40000664	Male	Familial relationship between the donors of these cell lines.	48 years	None reported	Caucasian	36 years
MCW077i-40001579	Male		54 years	None reported	Caucasian	42 years
MCW060i-U2183	Female	Familial relationship between the donors of these cell lines.	78 years	None reported	Caucasian	62 years
MCW108i-U2165	Male		80 years	None reported	Caucasian	63 years
